MOTILAL NEHRU COLLEGE: BENITO JUAREZ MARG: NEW
DELHI-21

11-03-2014
Dated ~~12-01-2014~~

Subject: - Formulation of admission policy under sports and cultural activities quota.

The committee makes it very clear in the very beginning that all the suggestions given by us are in conjunction with existing Delhi university guidelines.

To prepare this report the committee tried to obtain as many suggestions as possible for which a letter was also circulated to all honorable members as was decided in the staff Council at the time of formulation of this committee.

Two of our honorable Physical education faculty members gave us their valuable suggestions.

This report therefore, is being prepared with the wisdom of the committee members keeping in mind the written and unwritten suggestions obtained from the college.

Part One

Suggestions to be followed while doing sports activities based admissions.

- [1] Admissions on sports bases should be done keeping in mind both, individual and group based sports items.
- [2] Sports committee must suggest well in advance as to what sports items Motilal Nehru College can facilitate.
- [3] The Sports committee of the staff council must specify before the issuance of the admission forms its requirement of the number of students under various sports categories.
- [4] The venue of the sports trials and the dates of the trials must be announced at least fifteen days in advance on college website.
- [4] All trials must be completed by the third admission list of Delhi University.
- [5] All the pre admission applications of the students must be scrutinized with respect to the marks obtained and sporting achievements of the applicants.

[6] While this is true those candidates up to category [f] as specified by the University of Delhi can be called for the trials but the committee proposes that candidates up to category [e] should only be called for the trials. This would not only bring only good sporting talent in the college but also would help in maintaining greater transparency in the sports based admissions.

[7] According to university rules all applicants appearing for sports trials must go through a basic medical test. However, according to the same rule if a candidate has gone through the same medical test in some other college. He or she may be exempted from that medical test. The committee endorses this point of view as going through the same medical test again and again leads to unnecessary harassment of the students...

[8] It has been noticed in the past that lack of communication amongst sports admission committee member's leads to confusion and some time creates an environment of distrust. The committee therefore, proposes that notices of the admission committee and the minutes of the sports admission committee during the admission time should be put on college website. And it should be communicated to each member of the sports committee through e mail.

[9] The result of selected candidates must be announced during the days of University admission fifth list on college website.

[10] In case the demand for a particular course exceeds the number of seats available in that course then the principle of giving priority to such students who have scored more marks must be given their preferred course.

[11] The responsibility of distribution and collection of ECA admission forms will be of the administrative office.

Part Two

Suggestions to be followed while doing cultural activities based admissions.

[1] The cultural committee of the staff council must specify before the issuance of the admission forms its requirement of the students under various categories for example, music, debate, dramatics etc.

[2] The cultural committee must be divided in to various sub committees who should look after the admissions based upon different cultural categories. This division of the committee in to sub committees will insure parallel sessions of trials.

[3] Presence of at least one outside member must be insured for each category admission. The name of the member called for the admissions as expert must be decided keeping in mind the university guidelines in this regard.

[4] All the pre admission applications of the students must be scrutinized with respect to the marks obtained and short listed candidates names be displayed on college website during the first Delhi university list admission days.

[5] The dates of the trial must be announced along with the names of short listed candidates.

[6] All trials must be completed by the end of university's third admission list.

[7] The experience of past three year's show that the number of students admitted under cultural activity quota has remained very less. This is due to five % marks relaxation cap laid down by the staff council. Therefore, committee proposes that a maximum of 15 % relaxation of marks: based on the 1st cutoff list of the admitting year in the college, may be given to the students as is allowed by the University of Delhi.

[8] The final result of the selected candidates must be announced during the days of university's fifth admission list.

[9] It has been noticed in the past that a maximum number of students appearing in the cultural activities trials wants to opt for subjects like, Commerce Economics Etc. in this light committee proposes.

[a] The seats allocated to each department under cultural quota must be mentioned in the college prospectus.

[b] In case the demand for a particular course exceeds the number of seats available in that course then the principle of giving priority to such students who have scored more marks must be given.

[10] Once the trials get finished the entire cultural committee should finalise the selected candidates based upon the marks given by the outsider expert and the marks given by our members of the subcommittee. The finalization should be done keeping in mind all the other criteria's mentioned above as well

SECRETARY'S ANNUAL REPORT 2013-14

Respected Colleagues,

First of all I would like to thank you all for your constant support and cooperation in performing my duties and responsibilities as the Secretary, Staff Council. Again it is a honour to present the Annual Report for the academic year 2013-14 before this august house. A total of nine meetings of the council were held on 22/05/2013, 31/05/2013, 05/07/2013, 19/07/2013, 30/07/2013, 21/08/2013, 19/11/2013, 13/12/2013, and 04/04/2014. Several important decisions were taken in these meetings.

In the academic year 2013-14, Dr. Manju Aggarwal worked as the officiating principal till 15th October 2013. After her tenure, the Governing Body recommended Dr. B K Jain's name for his appointment as acting principal. Dr. B K Jain took charge as the acting principal in the month of October 2013.

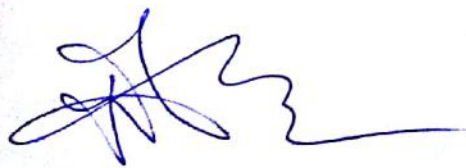

200-Point Roster was implemented by University of Delhi in the month of September 2013. College prepared 200-point roster as per the guidelines issued by University of Delhi and sent for its approval. Despite implementation of 200-point roster by the university since the month of September 2013, surprisingly, the university has yet not finally approved the college roster and, no appointment is made in the college according to 200-point roster till date.

The college constituted a Special Categories Admission Enabling Committee (SC/ST/OBC/PH). The college celebrated North-East Culture Day on 24th March 2014 with the theme 'Celebrating Inclusiveness and Plurality'. Traditional and contemporary music, dance, and attire of the North-East were presented in the event.

This year, the Staff Council approved new guidelines for ECA/Sports admissions from the forthcoming academic session 2013-14.

This year teaching staff members moved in to a more spacious and technological enabled new staff room. Eight new eco green, semi permanent, air conditioned classrooms are about to complete and will be ready for use by May 2014. The college has already proposed to construct eleven more classrooms and replace the five Porta-cabins in the college with ten classrooms built in two floors.

The college electrical system will become future proof with completion of the laying of High Tension Cable in the college by August 2014. The High tension Cable can carry a load of 600 KV against the sanctioned 300 KV. The installation of 40 electricity poles to

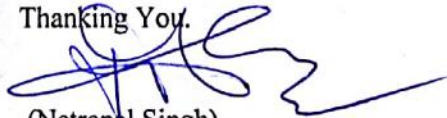

light up the entire college campus is completed. For the benefit of students, the college has installed one 300 litres and two 250 litres water coolers with 6 R O System purifiers.

The College Annual Day Function was organized on 21 April 2014 with grand success. Prof. Satish Deshpandey, Head, Department of Sociology, University of Delhi was the chief guest of the programme.

Various activities under the committee of the Staff Council took place during the entire academic session i.e. two days national seminar by National Seminar Committee; College Cultural Day jointly by Cultural & Debate Committee and Students Union Advisory Committee; NCC Day "Veerta" by NCC Wings both Boys and Girls, College.

Performing so many activities was impossible without the constant support and active participation of all the staff members. I sincerely thank all my esteemed colleagues who extend their support, worked in various committees and capacities promptly taking responsibilities and performed their tasks with hard work and keen interests. I extend my warm welcome and good wishes to the members and the conveners of all committees for the new academic session.

Thanking You.

Minutes of the Meeting held on 26th June, 2014

A meeting of the Staff Council was held on 26th June, 2014 at 12:30 pm in the Staff Room. Acting Principal Dr. B. K. Jain chaired the meeting. 53 members attended the meeting.

At the outset, the Chairman informed the Council about the sad demise of former colleague, Sh. M.M Rai. The House observed a two-minute silence in his memory.

The following decisions were taken.

1) Minutes of the previous Council meeting held on 9th May, 2014 were read out by the Secretary. The Council confirmed the minutes.

2) As per Agenda, Workload for odd semester 2014-15 was to be approved. However, Workload Convener, Sh. A. W. Shynret informed the House that in view of the lack of clarity regarding implementation of FYUP/ 3-year Course, the workload Committee could not prepare workload for the odd semester 2014-15. The Convener further informed that the Workload would be prepared by the Committee as soon as clear instructions on the matter were received from competent authority.

3) Under Agenda item "Any Other Matter", the Chairman referred to the decision of the Sports Committee to include swimming and Boxing as disciplines under which admissions would be granted under sports quota for 2014-15 admissions. The Chairman reminded the House about the previous decisions of the Council to NOT offer sports admissions in (i) disciplines for which facilities do not exist in College and (ii) Boxing, Judo, Wrestling, Taekwondo, and allied disciplines.

The Council reiterated its decision that only those games for which facilities are available in the college would be offered as disciplines for admission under sports quota. The Council also reiterated that admissions in team sports would be encouraged over those in individual sports.

In the light of this reiteration, the Council decided to amend the Sports Committee decision on Sports Admission 2014-15 and delete Swimming and Boxing from the list of sports disciplines under which admissions will be offered.

4) The Council also decided that recommendation made by Teacher-in-Charge and Senior Most member of each department for purchase of books by library during vacations will be accepted by the library. This would be in addition to the recommending privilege of the library committee member of each department. The decision will be conveyed to the Librarian.

The meeting came to an end with thanks to the Chair.
