To,

The Principal
Motilal Nehru College
Delhi University

Sub: Request to relieve from the responsibilities of IQAC Coordinator.

Dear Sir,

I have been discharging my responsibilities as Coordinator of IQAC since my appointment to the position in the beginning of 2020. Along with me, a representative of each department was made member of the Cell.

Despite the challenges of Covid-19 and the consequent lockdowns, the Cell was able to smoothly and successfully carry out scrutiny of the applications for promotions of all colleagues. IQAC dealt with more than 150 cases of promotions which were long overdue to teachers. I thank all my colleagues in IQAC who dedicated their time and energy despite personal inconveniences and difficulties and helped ensure the timely completion of all processes for promotion.

Sir, the major parts of 2020-21 was taken up by the promotions but now it is time for IQAC to gear up for the second phase, which is, preparation for NAAC. As is well known to you, the college now has to prepare for works related to NAAC visit. The magnitude of the work is compounded by the fact that no IQAC existed in the years preceding the present Cell.

For such a major project, IQAC will need to work on a war footing for a sustained period of time. However, I only have a couple of months left to the completion of my tenure as Coordinator. In order to avoid loss of momentum in transition while preparing for NAAC, I urge you, Chairman of IQAC, to kindly accept my request to relieve me of my responsibilities as Coordinator two months ahead of the scheduled end of my tenure. This will help you immediately draw up a new team towards a continued, sustained, and uninterrupted preparation for NAAC.

I wish to once again thank you for all the support received from you as Principal and Chairman IQAC. I also thank all team members in IQAC for their cooperation and their trust in me. My sincere thanks to all colleagues and Staff Council for their appreciation of IQAC. I consider it my privilege that I got the opportunity to serve the IQAC.

I shall continue to provide my inputs, as and when required, to IQAC and shall help in the transition in the days to come.

With warm regards

Dr. Manish Tamang
Coordinator, IQAC

*Placed in IQAC and accepted

deep appreciation of the services
