As the premier stakeholder, the student is encouraged to share any learning problems being faced in the classes or the tutorial systems. Mentors often act as the sounding board to the students, whereby while sharing their challenges, students are guided to come up with solutions too. These personal interactions and student-feedback also provides valuable inputs while assessing the interest and utility of the Elective courses. Evidence of success Cases of bullying and harassment are often first brought up to the mentor. These are not confined to reports within the college but also outside. There have been cases of students calling up their mentors at quite late hours to share their issues. At times, those stresses may even be due to communication gaps with their parents. On several occasions, Mentors have engaged in counseling both the students and their parents to alleviate the problems ailing the student.

College administration has always supported the students in this process and has always readdressed their grievances. The most valuable resource is the commitment from student members in terms of time and efforts. No matter what difficulties arise, the college team has always come together to tide over any challenges.

Motilal Nehru College takes pride to have a good environment for students of North East India specially. We have experienced that in the past many students from that part of India choose our college because of the kind of care we provide to them in comparison to other colleges.
