

Motilal Nehru College :: Placement Cell

Placement Cell is a healthy support system for the college students to guide them for various opportunities that they can have with their respective courses.

Comprehensive Teams that will work for the placement cell:

1. Career Counselling
2. Workshops
3. Training
4. Mock Interviews
5. Internships and Industrial visits
6. On Campus placements
7. Human resource management

The Placement cell of the Motilal Nehru College will be conducting the interviews for the new teams and team leaders for the current year 2022-2023 in the 3rd week of August.

The Interested students can apply for the same through the Google form given below.
