

MOTILAL NEHRU COLLEGE (UNIVERSITY OF DELHI)

**BULLETIN OF INFORMATION
FOR ADMISSION TO
UNDERGRADUATE COURSES
(2022-2023)**

From the Chairman's Desk

Mr. Tarun Bais

Greetings,

I am immensely pleased to welcome the batch of 2022-23 to Motilal Nehru College. Established in 1964, our college is a well-known educational institution and located in the South Campus of the University of Delhi. During a period spanning close to six decades, the college has come to be recognized as a premier institute of higher education in south Delhi, thanks to the commitment, zeal and enterprise of generations of teachers, students and administrative staff alike. Our graduates have aced competitive examinations, and subsequently excelled in areas as diverse as teaching and research, politics, public administration, law, sports, media and entertainment, medicine, armed forces, and business entrepreneurship and management. We take great pride in such students who have served the society well in multitude of ways.

With a sprawling campus located at a prime location and connected with all modes of public transport (including Metro), Motilal Nehru College not only provides quality and affordable higher education in science, liberal arts and commerce, but also offers a range of learning resources (both electronic and print) and campus-wide Wi-Fi connectivity, as well as facilities and opportunities for participation in outdoor sports, community service and a plethora of cultural activities. Besides, regular seminars, conferences, lectures, symposia and workshops make for a rich academic experience. Further, it is friendly to the differently-abled, providing them with ramps, exclusive washrooms, Braille library and other e-resources. I believe the three years of undergraduate studies and vibrant campus life in this college will be a profoundly transformative experience for all of you.

From the Principal's Desk

Prof. Shrivatsa

I welcome all the young, keen minds to Motilal Nehru College. 'Providing quality education to all' is our mantra, and we make sure our students become intellectually, socially and emotionally mature with the knowledge, confidence, character and social skills they gain here. Motilal Nehru College, one of the largest constituent colleges of Delhi University with over 4500 students, over 140 teachers and 11 departments, adopts an inclusive approach to education which rests on the belief that notwithstanding the challenges and constraints of their socio-economic backgrounds all children can realise their full potential if given ample opportunities, conducive environment and appropriate learning resources.

Our college offers the right environment and state-of-the-art infrastructure to facilitate the holistic growth of students: ICT-enabled laboratories, uninterrupted Wi-Fi and LAN connectivity, a well-stocked library, a spacious playground with cricket pitch, basketball and volleyball courts, and a range of student-run cells and societies for cultural activities, community service, job-placement and entrepreneurial initiatives. Added to this are our qualified and dedicated faculty and empathetic administrative staff who make all possible efforts to help the students.

The batch of 2022-23 is going to be special as it will be first one to study according to New Education Policy (NEP) 2020 after the global pandemic. Today, students, as also institutions such as ours, stand at the threshold of a new exciting era of higher education in the wake of unprecedented virtualization of teaching-learning process, and growing emphases on innovative pedagogical methods, interdisciplinary curricula, flexibility in course-choices and entry-and-exit options, outcome-based education for students of diverse backgrounds, and self-reliance and employability of youth. It is these new focus-areas that are encapsulated by the goals of the NEP. While we work hard towards reaching these goalposts, we also stand proudly committed to retaining our principled and non-commercial approach to an affordable, holistic and inclusive education. With great hopes for the changing educational scenario, I welcome the batch of 2022-23 to our college and wish them the best in their future endeavours.

Our College

Swami Vivekanand said, 'Education is the manifestation of the perfection already in Man'. Internalizing his view, our college believes in providing affordable, quality higher education and an enabling and empowering learning environment to the youth from all sections of society. It envisions playing an impactful role in the lives of its students, not only by helping them acquire the requisite knowledge and skillsets to excel academically and professionally, but also by motivating them to become conscientious and responsible citizens committed to the betterment of society. In doing so, it visualizes them as becoming capable of synthesizing their learning with societal needs, and of taking the initiative and lead in making the society more democratic and equitable for all sections.

Our college also sees itself as an incubator of academic freedom and excellence, as well as creativity and originality of thoughts. It aims to foster a spirit of socio-cultural inclusivity and harmony among students from diverse socio-economic, regional, linguistic and cultural backgrounds, and make them able contributors to nation-building.

New website of the college: <http://182.76.237.238/~motilalnahru/motilal/> (it is under process)

Vision: *buddhir-gyanena shuddhyati* ('Mind is refined by knowledge')

Mission:

The mission of the college is to:

- encourage and enable its students to constantly seek and acquire knowledge in ways that would make them think rationally, analyze critically, conceive and experiment with creative ideas, decide wisely, act responsibly, and cultivate and effectively articulate a liberal, unprejudiced worldview .
- sensitize them about their duties and responsibilities towards the family, community, society, environment and country, in order to make them informed, ethical, humane, sensible, empowered and responsible citizens.
- further a dynamic, stimulating, multi-faceted and technologically enhanced learning environment that would hone their aptitude and build their knowledge-base, skill-sets and leadership qualities, as well as orient them towards addressing the needs and challenges of the country and the world.
- enhance their professional and life skills and thereby build stellar careers and live fulfilling lives.
- facilitate their holistic personality development by encouraging them to participate in academic, co-curricular and extra-curricular activities.
- promote inclusivity and diversity of ideas, opinions and people; deter discrimination/ exclusion/ marginalization on any ground; and thereby create a liberal, accommodating and enabling environment.
- inspire faculty members evermore to become committed teachers, empathetic mentors, as well as bright, innovative researchers.

Departments

Our college has highly qualified, dedicated and experienced faculty members many of whom are members of course committees of the parent departments in the University and actively contribute to discussion, improvement and learning outcomes of the curricula. Many teachers are involved in the setting of question papers, design and development of curriculum, and assessment/evaluation. Most of them publish their research in reputed national and international academic journals, and present their research on various national and internal fora. They also undertake projects sponsored by premier institutions in India and abroad. Some teachers are also involved in developing e-content for e-PG-Pathshala and Svayamprabha. They also regularly enhance their subject-knowledge and pedagogical skills by participating in workshops, orientation programmes, refresher courses and/or Faculty Development Programmes. The departments regularly organise seminars, conferences, workshops and special lectures for the benefit of both students and teachers.

Chemistry

The Department of Chemistry is one of the oldest (estd. 1964) departments in the college and one of the most prestigious and well-known chemistry departments across the university, having distinction of eminent teaching faculty and modern research infrastructure. The department offers two courses, namely B.Sc. (Hons.) Chemistry and B.Sc. Physical Science with Chemistry. Alumni of the department have secured admission in premier post-graduate and research-based science and engineering institutions in India such TIFR, IISc, IITs, TERI, etc. and abroad. Apart from classroom teaching, the faculty members are actively involved in research projects and have authored several books.

The department has three well-equipped laboratories along with an instrumentation laboratory that houses modern instruments, such as U.V.-Visible Spectrophotometer, Flame Photometers, Potentiometers, pH meters and colorimeters etc. **Quimica**, the Chemistry society, regularly organizes seminars, workshops and lecture series.

Life on Campus

Our college has a vibrant campus life with year-round academic and extra-curricular activities carried out by students under various societies. All these societies regularly organize lectures/talks, symposia, conferences/seminars, workshops, panel-discussions, and a wide range of intra- and inter-college competitive events, as also participate and win prizes in such events outside the college. The societies thus provide ample opportunities and diverse platforms to the students to cultivate and showcase their talent and creativity in different areas. The college provides adequate facilities, funds and required equipments to the societies and has a well-equipped cultural room for the students to practice for the cultural events. All societies work under the active supervision of teachers.

Subject Societies

All departments have active subject societies with substantial budgetary allocation. All students of a department are members of its subject society. Every society has a department-nominated Teacher-Convener and elected student bodies to enable active participation in the day-to-day planning and execution of various programmes. Most societies organize their annual festivals marked by a range of academic events and extracurricular activities.

Societies of Culture Committee

The Cultural Committee of the college is comprised of seven sub-committees or societies effectively managed by elected student bodies. Any student of the college can become a member of any society if s/he demonstrates his/her keen interest and adequate potential in the area under its purview, e.g. drama, music, dance, debate, etc. The societies are as follows:

1. **Aadhaar**, the theatre society, performs both stage- and street-plays for raising public awareness on a range of topical issues, and provides talented students a platform for honing and exhibiting their skills in acting, music, script- and dialogue-writing, and direction.
2. **Malhaar**, the music society, is divided into three wings, viz. the Indian Classical wing, the Western wing, and the band. It provides a forum for gifted students to showcase their talent in vocal and instrumental music.
3. **Electra**, the Western dance society, one of the best such societies in the University circuit, is a team of enthusiastic dancers who practise and perform various genres of Western dance on various fora.
4. **Bellissimo**, the fashion society, actively encourages its members to use their creativity and aesthetic sense to design garments and ensemble outfits and showcase them in the inter-college festivals and fashion shows in Delhi as well as outside.
5. **Jhankaar**, the folk dance society, encourages all traditional Indian dance forms and thereby continually celebrates the rich, pluralistic culture of the country through its diverse performing arts.
6. **Chhayankan**, the film and photography society, strives to encourage students to tell thought-provoking and impactful stories through photography and film-making. It also regularly screens films of diverse genres, languages and countries, documentaries and photography exhibitions, accompanied by intense formal and informal discussions. Further, it conducts workshops on film-making, and organizes ‘Meet-the-Director’ events.
7. **Abhivyanjana** fosters the freedom of creative expression as well as verbal and literary skills among the students through participation in bilingual debates, poetry-writing and creative-writing.

The Committee annually organizes a grand cultural festival ‘**Kaafila**’ that attracts students not only from Delhi University but from different universities across the country. The festivities include competitive events in dramatics, music, dance, fashion and photography, and cultural events such as performances by leading artists and renowned rock bands.

Women Development Cell

The Women Development Committee (WDC) takes various initiatives to promote the ideas of gender-equality, gender-inclusivity and women-empowerment, as also sensitize the staff and students about various gender-related issues. These initiatives include talks, seminars, webinars, workshops, group discussions, film-screening, book-reading sessions and competitive events on topics such as Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act (2013); dynamics of gender identities, roles and relations; gender-stereotypes in career-choices and professions; patriarchal ideas of masculinity and femininity; misogyny and sexism; sexual and non-sexual violence on women; plight of transgender communities; and personal hygiene and reproductive health. Further, it periodically conducts self-defence classes for students in collaboration with Delhi Police. Overall, it strives to create an atmosphere free of gender discrimination on the campus. North-East Students' Cell

The North-East Students' Cell is mentored by a faculty member functioning as a university-mandated Nodal Officer and aims to promote among the students greater awareness and appreciation of the cultures in the north-eastern region of India. In doing so, it seeks to sensitise them to cultural differences and instil in them a sense of pride in the enormous cultural diversity of the Indian subcontinent. It organises an inter-college **North East Cultural Day** in order to provide the students of the region opportunities to showcase their traditional songs, dances, attires, cuisine, and other cultural practices.

National Social Service (NSS) and National Cadet Corps (NCC)

The National Service Scheme (NSS) and National Cadet Corps (NCC) are committed to a wide range of programmes and activities that among the students inculcate a strong sense of civic responsibility and a spirit of service to the country and society.

The NCC, which has both boys' and girls' wings, helps the cadets develop confidence, discipline and team spirit. The cadets routinely participate in institutional training, Republic Day parades, youth exchange programs, adventure camps and community outreach programmes. Such activities not only provide them with an advantage in various employment opportunities, but also help them learn life skills and develop a well-rounded persona. The registered members of NCC have to appear for 'B' & 'C' Certificate exams conducted by the NCC wing of Delhi. The student-volunteers of NSS organizes such community outreach programmes as blood donation camps, campus cleaning drives, sapling plantation drives, educating slum children, and awareness campaigns on many topical social and environmental issues. The student-members also extend services during times of natural calamities and disasters by way of organizing donation drives.

Enactus

Enactus, an international non-profit non-governmental organization present in 1,700 Universities across 36 countries, has over 70,000 active student-members who take up social outreach projects for the benefit of underprivileged communities: they identify such communities, devise self-sustaining business models for them, and help their members become entrepreneurs.

The Enactus team in our college provides a platform for students to embark on exemplary community outreach, social entrepreneurship and awareness-building activities throughout the year. It has helped increase the students' sensitivity towards social and environmental causes by regularly undertaking innovative projects such as feeding, vaccination, sterilization and protection of neighbourhood dogs; sapling-plantation; cleanliness, sanitation and personal hygiene; and donation of food and clothes in slums. Recently, it designed a utility and a product for which we have approached the Government of India for patenting, keeping in view their uniqueness. The college will bear all expenses incurred on patenting these products. Over the years, the Enactus has gathered accolades from institutions in India and abroad for its innovative social entrepreneurship projects. Most notably, it received the Genpact Campus Impact Award from TERI and Genpact in 2016; mentorship from KPMG in 2020; and a

seed grant of USD 1000 from The Pollination Project (TPP), a US-based organization, for its project 'DESI' for sterilization and vaccination of stray dogs in 2020.

CDF—MLNC

Connecting Dreams foundation (CDF) is a non-profit organisation which provides the youth with an opportunity to empower underprivileged people through entrepreneurial action and social work and thereby improve their lives and livelihoods and help them achieve their dreams. The CDF Chapter in Motilal Nehru College aims to bring about a transformative impact on the lives of people in need. Currently, it is working on three projects, namely (a) **Project Jazbaat**, an effort to promote a more positive and proactive approach to addressing mental illnesses; (b) **Project Udyam**, an initiative in upskilling poor women and helping them gain financial independence; and (c) **Project Dream Library**, an attempt to provide quality education and valuable lessons to underprivileged children.

Students' Union

The **Students' Union** is the premier elected student body that represents the interests of all the students of the college and plays an integral part in the decision-making process of the institution. Its membership is compulsory for all students of the college. It aims to cultivate leadership, organisational and team skills; art of self-expression through public speaking and public interaction; and a capacity for collective decision-making and participatory management among the students. It also promotes intellectual and cultural development of its members and endeavours to give them training in the functioning of democratic institutions. The **Students' Union Advisory Committee (SUAC)** mentors and supervises the functioning of the union, and actively interacts with the elected student office-bearers. Some of the union members have become leading figures in the socio-political life of the country. The members of SUAC are:

Placement Cell

The Placement Cell plays an important role in helping deserving and meritorious students get jobs and internships in the industry, thereby facilitating the launch of their careers. The student representatives of the cell systematically work towards establishing networks and linkages with corporate agencies/ houses and engaging them for placement/recruitment drives in the college. The cell also provides dedicated career guidance by apprising the students of the current market scenario, employability in different fields and the requisite skillsets. To this end, it organizes workshops on employability and developing interview skills. The cell has had a good record of helping students in finding internships and final placements in leading companies and organizations. The members of Placement Cell are:

College Magazine

The college annually publishes 'Navagat' a trilingual magazine—in Hindi, Sanskrit and English. It brings out reviews of educational, cultural, social and sports activities of the college and articles by the students and staff. It is edited by an editorial board comprised of teachers and students. It is an ideal platform for students to exhibit their creative writing skills.

Dr. Ambedkar Study Circle, Gandhi Study Circle and National Seminar Committee

The **Dr. Ambedkar Study Circle** and the **Gandhi Study Circle** hold talks/lectures, conferences/seminars, panel discussions, film-screenings and competitive events, especially on the birth and death anniversaries of Dr. Ambedkar and Mahatma Gandhi, and often in collaboration with premier research organizations such as the Indian Council of Social Science Research (ICCSR), the Nehru Memorial Museum & Library (NMML) and the Indian Council for Historical Research (ICHR). These activities are aimed at celebrating and commemorating the two larger-than-life figures of modern India, and exploring the complexities and nuances of their thoughts, ideas and practices, as well as their relevance in today's world. Besides the departmental subject societies, the **National Seminar Committee** steers the academic activities at the college level, including the prestigious annual **Motilal Nehru Lecture Series** on the foundation day of the college. Under this series, talks have been delivered by eminent public figures such as Ms. Shakuntala Devi (mathematician), Dr. Karan Singh (politician and philosopher), Sh. L. M. Singhvi (jurist, parliamentarian, scholar and diplomat), Prof. Irfan Habib (historian), Acharya Hazari Prasad Dwivedi (Hindi novelist, literary historian, essayist, critic and scholar), Sh. Harivanshrai Bachchan (Hindi poet), Prof. Ashok Vajpai (Hindi poet, essayist, literary-cultural critic), Ms. Kavita Krishnan (women's rights activist), Ms. Indira Jaising (lawyer and Human Rights activist) and Prof. Shekhar Pathak (environmentalist). Sports

The Department of Physical Education provides opportunities for students to train for and participate, as individuals and as teams, in intra- and inter-college, university, inter-university, state, national and international competitive events. The college has facilities for sports such as football, basketball, volleyball, cricket, athletics, wrestling, boxing, power-lifting, etc. An intra-college Sports Day is held every year in which students from the college, as well as members of teaching and non-teaching staff, get an opportunity to showcase their sporting abilities in competitive team events. Many of our students have won laurels at university, national and international levels. Recently, Praveen Kumar made our college proud by winning the silver medal in the men's high jump T64 event of the Tokyo Paralympics 2020. The members of the Sports Committee are:
