The students are encouraged to make informed choices, and in order to assist students to make choices that fit in into their career goals and interests, Orientation session for GE is held to apprise students of its salient features. The future prospects of Generic Electives being offered by each department in a particular semester are also highlighted to make the students aware of the advantages of the course. Periodic review of curriculum delivery is carried out during department meetings and mid-course correction done, if required. Each department strives to ensure that there is an efficient curriculum delivery mechanism and teachers are encouraged to use innovative teaching-learning methods to achieve this goal. Each individual teacher appraises the students of the learning outcomes of the specific paper at the beginning and conclusion of the semester.
