HEALTH IS EVERYTHING

The NSS team organized two webinars on 18th and 19th of July 2021, in collaboration with the ANS trust. The theme of these virtual webinars was 'Healthy Lifestyle'. Our guest speaker for the day was Mrs. Neeki Singh. The speaker presented this informative topic in a very interactive and fun way. All the NSS members who attended the webinars must have learnt something new and informative which would help them in their day to day live. Healthy lifestyle, as a matter of fact, included all aspects of the topic varying from a proper diet plan to regular yoga activities and various other good habits. A practice yoga session was also organised during the webinar. To be productive volunteers for betterment of the society we must lead a healthy lifestyle and this webinar encouraged us to do the same. The 53 students and 2 teachers attended the webinar in each individual session. The session received positive feedback from all those who attended it.

WEBINAR ON ANXIETY TREATMENT

In such a boring and non - interactive lifestyle of today people face anxiety issues especially the youth, however such issues are neglected and talked upon by the society and sometimes by our own friends this leads to alienation of individuals from social life. Keeping in mind such issues our NSS team collaborated with the "There For You" community for providing mental health service. A webinar was organized on 9th August, 2021 with our guest speaker as Mrs. Jyoti Mehta. The webinar was very informative for all our NSS volunteers who looked into this topic. Issues regarding anxiety, depression and some people being non - social were raised. We as volunteers learned how to counter such issues personally and help others in any way, starting from our own friends if possible. The 47 students and 3 teachers joined the webinar.

WEBINAR ON CANCER PREVENTION

Cancer is the second most leading cause of deaths globally. Studies show that more than one - third of the cancer cases can be detected early and cured properly. To spread awareness for such society transforming actions the NSS along with the NGO Sanjeevni Life Beyond Cancer organised a webinar on 18th August, 2021. The guest speaker of the webinar was Ms. Florina Singh and the webinar received positive responses from the 51 volunteers and 3 teachers that attended it. The webinar analysed basic things we as individual volunteers can do help out our society and peers. Some of the informative points that were looked into were :-

- Reducing the probability of getting cancer
- Early detection of cancer
- Being a major help to those who is diagnosed with cancer

- Moral boosting through a healthy lifestyle
- Improving our immunity through food intake.

STAND UP AGAINST STREET HARASSMENT

Some of us have encountered a street harassment case in our lives or some might encounter one in the future. Such an act is a form of social evil and as a bystander not speaking up for it is a greater evil. As responsible citizens the NSS organised a webinar on 22nd September, 2021 in collaboration with Breakthrough India . Our guest speaker for the day was Mr. Salman Alvi who was very interactive towards the volunteers and teachers that attended the webinar. The session talked of incidents where we as bystanders can be of great help if we are to face such a situation. The event was a successful one and helped in changing us as better personalities.

WORLD ANIMAL WELFARE DAY

As is truly said by Charlie Chaplin "One who feeds a hungry animal, feeds his own soul". The NSS team celebrated the World Animal Welfare Day on 5th October, 2021 by feeding various stray animals and birds in the locality of individual volunteers under our Project Kudrat. Volunteers of our organisation enthusiastically led the goal of feeding animals which turned out to be a great success. Volunteers fed and served the birds and animals like dogs, rabbits, squirrels, cats, etc. near college campus and at some local shelters. In this activity 45 NSS volunteers and 5 teachers showed their active participation in the humane act of feeding animals. Showing love and compassion towards the animals and birds living in our locality reflects our development as a society.

DONATION DRIVE

On 30th October 2021 NSS Motilal Nehru college conducted a donation drive for the needy. While we enjoyed the comfort of our warm homes, there are so many out there without a shelter and the winter this time being too harsh, as down as - 0°Celsius. We took initiative to help them stay warm. We went to Shastri market slum area (South Moti Bagh), Nanak Pura and Satya Niketan. We planned on giving them gifts for Diwali. We asked volunteers and some college mates to donate old winter clothes and blankets (sweater, jackets, jeans (pants), etc.) .The drive was successful as we helped a lot of people with the help of 39 volunteers and 2 teachers by donating clothes to the needy.

A DAY WITH INDIA'S FUTURE

On 21st November 2021 NSS Motilal Nehru Colleges team on occasion of children day celebrated A Day with India's future under Inspire Young India scheme with 23 volunteers and 3 teachers. This was in collaboration with "Hum honge kamyab" Ngo in Delhi Cantonment slum area. We conducted a fun activity session for the children where we played with them and also later conducted a session where we focused on their holistic development by telling them about importance of sanitation and education. Children are the heritage of the country. How our country will be built and how our future will be, depends on the parenting and the mindset of the children.

CLEANLINESS DRIVE

On 26th February 2022, all the members of the NSS unit of this esteemed college conducted a successful drive. As we all know cleanliness is a mind-set- a positive habit that keeps the body, mind, and environment happy, healthy, and neat. In this era of the COVID-19 pandemic, we have learned the importance of cleanliness and practiced it at the individual, social and national levels. Hence, this campaign aimed to clean the college and educate the students about the same. Cleanliness and orders are not matters of instinct; they are matters of education, and like most great things, you must cultivate a taste for them. Altogether 39 students and 5 teachers participated in this campaign.

BLOOD DONATION DRIVE

On 25th April 2022, the NSS unit of Motilal Nehru College organised blood donation drive in association with AIIMS- Delhi , for which the registrations started from 18th April to 24th April at Quadrangle of Motilal Nehru College. All the the students of the college and outsiders were invited for the camp. The camp was organised on 25th April at the Jubilee block of the MLNC. The whole team of NSS was available there full time to help, assist and support in the social and humane act of donating blood. To all those who donated blood had a proper checking before donation and was provided with refreshments. The aim of this camp was to help people and save lives. *"Our little efforts can give others second chance to live life. "Blood donation will cost you nothing , but it will save a life"*. It was indeed a successful campaign in rendering life to the person in need and spreading the love, humanity, and kindness. In this drive 64 students and 4 teachers participated. At last the whole of NSS team was thankful to the efficient and experienced team of AIIMS- Delhi to join us in our little effort towards kindness that did great and big wonders. The NSS team was grateful and appreciated the donors by saying, *"if the world had more people like then it would be a better place."*

YOGASANA ON INTERNATIONAL YOGA DAY

On the occasion of International Yoga Day, Motilal Nehru NSS team performed an activity on 21st June 2022. The volunteers of NSS Motilal has successful celebrated the day by performing various yoga asanas with a positive thought, "*Yoga is the journey of the self, to the self, through the self*". The theme of this activity was '*yoga se hi hoga*'. The 31 volunteers of NSS team participated in this healthy activity. In this webinar everybody was made aware about the yoga by the college Principal. The Principal and volunteers discussed the merits of yoga in our daily life. Yoga can ease arthritis symptoms. Gentle yoga can ease some of the discomfort of tender, swollen joints for people with arthritis. Yoga benefits heart health. Regular yoga practice may reduce levels of stress and body-wide inflammation, contributing to healthier hearts. After knowing so much of yoga benefits volunteers and other students felt conscious about health and pledged to make yoga an essential part of their daily lifestyle. So, "*Yoga is a light, Which once lit, Will never dim, The better your practice, The brighter the flame*". The activity ended with the smiling faces.

AN OVERVIEW

National Cadet Corps is a tri-service Indian military organization that recruits students from all over India and train them in basic arms and parade.

Motilal Nehru College feels immense proud to be a part of this prestigious organization from past 47 years.

Academic year 2020 was commenced with great zeal and enthusiasm among the cadets. Due to the unavailability of college ground at the beginning of the session, students used a virtual platform to connect each others. Later, with the constant support of the principal Dr. Shrivatsa and ANO Captain Dr. Shalini Malhotra cadets began practicing on the ground as a result of which, performance of many cadets enhanced and they qualified for many camps. MLNC NCC succeeded in achieving its aim of providing the cadets with a platform to enhance their skills, promote team work and develop a strong character.

The principal and ANO constantly supported the cadets in all possible ways and made it possible for them to achieve their ambitions.

Anubhav Gupta- President (2021-22)

Progress made during Anubhav's tenure:

•Donation Drive organised by Project Udyam

We collected old cloth material from students, so as to repurpose the same into the production of scrunchies by skilled yet unemployed women at Pragati Maidan, and help them gain financial independence through the same.

•Women's day celebration at Pragati Maidan

Our team visited the women, to interact and spend some quality time with them. We played Tambola with them and distributed gifts to celebrate them and make their day.

•Project Udyam conducted a session on the 'Importance of Financial Independence'

We conducted this session with the purpose of educating women from Rural Background on Sustainable Business and Financial Independence. The session delivered important lessons to the women and facilitated our interaction with them.

•Jazbaat collaborated with Project Ukiyo, and Friends Society, Hindu College and had its first offline session

We assembled together at the Lodhi Gardens and had a session on 'Log kya kahenge' where we discussed the importance of prioritising ourselves, what people say and how it affects our mental health. It was an insightful session in the calm and amiable lapse of nature.

•Project Jazbaat conducted a series of webinars addressing important matters relating to mental health

We brought on board various psychologists and counsellors to deliver sessions touching various topics including, 'Men and Mental Health', 'Anger Management', 'Attachment of Past', 'Dealing with Criticism', 'Self- Love' and more, so as to make professional knowledge accessible to our audience and add value to their lives.

•Dream Library continued to provide quality education to underprivileged children, even during the pandemic

Our volunteers switched to online mode, to keep on with teaching kids and made sure they aren't lagging behind. Now, we conduct classes in both, offline and online mode, so as to reach even students living far away and make education accessible to maximum children.

•Collaboration with a new NGO:

In Project Dream Library, there was an increase in the no. of community visits, and we got the opportunity to collaborate with a new NGO named 'Rhythm of Life' in Chanakyapuri. We were able to educate underprivileged children by conducting both online sessions and offline visits.
