## MEMORANDUM OF UNDERSTANDING

This MOU is made on the 29th day of June 2022 between **Connecting Dreams Foundation**, a non-profit foundation registered and licensed under Section 25 of the Companies Act 1956, Government of India (hereinafter referred to as "FIRST PARTY") which expression shall unless excluded by or repugnant to the context, be deemed to include its Permitted assigns of the **First party**.

**AND**

**Motilal Nehru College, Delhi University** (hereinafter referred to as "SECOND PARTY") which expression shall unless excluded by or repugnant to the context, be deemed to include its Permitted assigns of the **Second party**.

**Background:** Motilal Nehru College (MLNC), is a distinguished and reputable college of the University of Delhi. Chapter MLNC aims to bring about a fruitful change in the lives of people who need it. Currently we're working on three projects, namely Project Jazbaat, addressing the importance of mental health. Project Udyam, upskilling women and helping them gain financial independence. Project Dream Library, Providing Quality education to underprivileged children. We have three departments, Finance department, HR Department and Marketing department. We at MLNC strive to support and improve the lives of the needful, through our kind initiatives so as to develop wider hopes and possibilities for them.

**About CDF:** Connecting Dreams Foundation (CDF) aims to address the Sustainable Development Goals (SDG)-based challenges through entrepreneurial action and youth participation. CDF is working largely to utilize the potential of the youth and directing it towards activities that will lead to inclusive social development, enabling the achievement of SDGs. It provides the youth with an opportunity to bring about a sustainable and scalable change by working along the lines of 17 SDGs. CDF resolves a diverse set of challenges that align with the global narrative of SDGs, focusing on the multidimensionality of development from job creation, community development & empowerment, education, entrepreneurship, health, environment and many more.

**Purpose:** This MOU is being signed between Motilal Nehru College, University of Delhi and Connecting Dreams Foundation to implement the Changemaker Lab Programme and provide opportunities to students to understand the grass-root level

Challenges and solve them through systemic models of entrepreneurship initiatives. The programme members will be trained under the guidance and supervision of global experts drawn from both the parties and various universities and corporates. The Changemaker Lab Program is a semi-virtual, semi-physical institutional chapter of learning and local action. The proposed chapter trains the youth by creating SDG Champions and directs them towards the creation of sustainable business models that will carry the importance of sustainability. CDF follows a three-step theory of changemaking – collect challenges, create solutions, change lives by collaborating with different stakeholders, and supporting Innovation.

### **Objectives of the Changemaker Lab Program**

The Changemaker Lab program aims to unleash the next generation's talent to solve one of the biggest problems of the world i.e., achieving sustainable goals for everyone

- To build the capacity of young students to develop global futuristic skills to become changemakers and SDG Champions.
- To embark on a journey to learn 21st Century Changemaking Skills through a systematic model of entrepreneurship.
- To foster experiential learning by directing the youth to facilitate/create social businesses and entrepreneurs by empowering local communities.
- To create viable and scalable community- led business enterprises.
- To sensitize students towards a sustainable future.

This MOU shall become effective upon the signature by the authorised officials of both the parties and will remain in effect until modified or terminated by any one of the partners by mutual consent.

### **Connecting Dreams Foundation agrees to:**

- Conduct workshops and training for the students of the Changemaker Lab.
- Help the students in identifying community and user groups.
- Formulating grass-root level problem statements for the projects undertaken by the students.
- Assigning industrial experts, mentors and coaches depending on the need.
- Organise events and seminars by connecting with potential sponsors and corporate partners.
- Facilitate students' partnership with corporates, national/international organisations and forums for on-ground implementation of solutions and for showcasing their efforts.
- Upon successful completion of the program, the students will be entitled to a Certificate and recommendation letter authorised by CDF.
- The students/projects with innovative ideas shall be recognized at the end of the program and invited to participate in major events organised by CDF.

- Students with the greatest social impact will be recognized and awarded.
- Responsibility for safety and security of any activity undertaken by volunteers of Connecting Dreams Foundation (CDF), MLNC outside the campus of Motilal Nehru College, shall be of CDF only.

**Motilal Nehru College, University of Delhi agrees to:**

- Formulate a team of volunteers for the Changemaker Lab Programme.
- Appoint a mentor to guide the Changemaker Institutional Lab.
- Allow students to participate in the workshops and training.
- Enable students to organise events and seminars in the college campus through fundraising, collaborations and sponsorships.
- Encourage students to participate in various National and International events and/or competitions as and when needed.
- Identify the community and user group for the Lab in association with CDF.

This MOU is at will and may be modified by the mutual consent of the authorised officials of both the organisations.

Any dispute arising out of this MOU shall as far as possible be settled amicably between the parties.

IN WITNESS WHEREOF the parties hereto have fully executed these present through the duly authorised representatives on the Day, Month and Year mentioned above.
