INDIAN INSTITUTE OF TECHNOLOGY DELHI
DEPARTMENT OF PHYSICS

OFFER LETTER OF ADMISSION

No. IITD/JAM2022/1303/R101Z51
Date: July 06, 2022

To
Mr./Ms. KAUSTAV MALLICK

Subject: Admission to M.Sc. (4 Semesters) Degree Programme In Physics at IIT DELHI through JAM 2022

Dear Applicant,

Congratulations! You have been provisionally offered admission, under GEN category, to the M.Sc. Physics (4 Semesters) Degree Programme at IIT DELHI.

Please note that the fee payable at IIT Delhi is Rs.38,100/- for Gen/OBC/EWS and Rs. 28,100/- for SC/ST/PwD candidates. The already paid seat booking fee of Rs. 10,000/- for Gen/OBC/EWS category students and Rs.5,000/- for ST/SC/PwD candidates will be adjusted in the total fees. Please note that the Seat booking fee will not be refunded if you do not join the allotted course in the institute.

Please pay the fee online as per the following table:

Category	Amount payable by 19 July, 2022
Gen/OBC/EWS	Rs.38,100 (Institute fee) – Rs.10,000 (Seat Booking Fee)=Rs.28,100 (To be paid by visiting link https://www.onlinesbi.com/sbicollect/icollecthome.htm)
SC/ST/PwD	Rs.28,100 (Institute fee) – Rs.5,000 (Seat Booking Fee) =Rs. 23,100 (To be paid by visiting link https://www.onlinesbi.com/sbicollect/icollecthome.htm)

The procedure for the payment of Institute fee is enclosed with this letter.

In addition, the students opting to stay in the hostel will have to pay Rs. 13,250/- as hostel seat rent & amenities charges and mess charges Rs. 47,000/-.

Note: This offer of admission does not guarantee on-campus accommodation.

The Institute will strive to provide a hostel seat to all candidates, to the extent possible. Please note that on-campus accommodation will be provided, on application and subject to availability. Students living within 12 km of the campus are not eligible for hostel. For any query in this regard, contact <adh@admin.iitd.ac.in>, Tel. 011-26591784.

You must submit your documents and attend orientation on the dates as per schedule to be notified through the Institute website (<https://home.iitd.ac.in/pg-admissions.php>). If for unavoidable circumstances, you cannot do so by the given dates, you may, with the prior permission of Dean Academics, approved in writing, register until the last date or late registration for Semester 1, 2022-23, given on the Institute calendar (<https://home.iitd.ac.in/academic-calendar.php>). Failing this permitted "late registration", the offer of admission would automatically stand cancelled, even if you have already paid the institute and/or hostel dues.

Owing to the evolving situation due to the COVID-19 pandemic, it is possible that there may be modifications to the previously announced calendar. You are requested to keep track of the IIT Delhi website for updates on this issue. Communication via email will also go to you from IIT Delhi.

In view of the prevailing COVID-19 situation, IIT Delhi would follow regulations and guidelines laid out by the Central and State Government, with an intention of maintaining safety of all concerned in hostels, classrooms, laboratories, etc. Guidelines for this may be released by Institute Administration from time-to-time, and whatever is relevant to incoming students will be intimated to you.

IIT Delhi expects all incoming students to follow these norms strictly, and adhere to the obligations and safety protocols. You are also requested to check the Institute website periodically for updates on this.

Please note that the eligibility requirements (ER) and the minimum educational qualifications (MEQ) to take admission in the M.Sc. Programme in Physics at IIT DELHI are the following:

ER: A Bachelor's degree with PASS grade

MEQ: No restrictions for engineering degrees. For B.Sc./B.S. degree. Bachelor's degree with Physics as a subject for at least 2 years / 4 semesters and Mathematics for at least 1 year / 2 semesters.

The entire responsibility lies with the candidate to prove that he/she satisfies eligibility requirements (ER) and Minimum Educational Qualifications (MEQ) requirements (including OBC-NCL/EWS/SC/ST/PwD/Nationality certificates, wherever applicable) for admissions. For all provisionally offered admissions, the proof of having passed the qualifying degree with the minimum educational qualification as specified by the Institute and other documents, if any, should be submitted on or before **October 31, 2022**.

Failing to comply with any of the above requirements will automatically lead to the cancellation of admission to the M.Sc. Programme in Physics at IIT Delhi.
