Dear Sir,

It gives me immense pride to congratulate the students and faculty member of Motilal Nehru College for winning the Genpact Campus Impact Award, First Prize for the project 'Be Desi Adopt A Desi Campaign' implemented as part of Campus Impact Challenge (2015-2016).

Campus Impact Challenge is an inter college competition from Delhi NCR colleges for a year with an aim to identify sustainability challenges in their campuses and come up with collective social and environmental solutions. This programme is under the aegis of LEADearthSHIP - a collaborative effort of TERI and Genpact on leadership and business sustainability.

We look forward to your support and cooperation in our future endeavors.

Thanking You

Warm Regards

(Ragini Kumar)
