### I. Procedure for calculation of 'Best Four' subjects percentage for Honours Courses (For admission to Arts/ Humanities Courses):

- a. One Language (Core/ Elective/ Functional)
- b. The subject in which admission is sought (If a candidate does not include the concerned subject whether studied or not, in 'Best Four' in which he/she is seeking admission in the honours course, then a deduction of 2.5% will be imposed on the calculated 'Best Four' percentage). For Honours in languages refer to point 12, also.
- c. Any two other academic/ elective subjects as per **List A**.

#### Note:

- i. If a candidate doesn't include the subjects given in List A in 'Best Four', then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating 'Best Four'.
- ii. All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of exam. *In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of 'Best Four'.*

#### Examples

- (1) If a candidate has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), and Chemistry 91 (theory 52, practical 39; max. marks theory 60, practical 40) which is not in ratio of 70: 30, then the marks can be converted on *pro rata* basis  
 Pro rata marks in physics =  $88.3 \left( \left( \frac{50}{60} \right) \times 70 + \left( \frac{40}{40} \right) \times 30 \right) = 58.33 + 30 = 88.33$   
 Pro rata marks in chemistry =  $89.92 \left( \left( \frac{52}{60} \right) \times 70 + \left( \frac{39}{40} \right) \times 30 \right) = 60.67 + 29.25 = 89.92$
- (2) If a candidate has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. The marks in Physics, Chemistry and Biology have less than 70% theory component and therefore have to be converted to 70:30 ratio on pro rata basis.  
 For physics, it is  $56.25 + 29.32 = 85.25 \left( \left( \frac{45}{56} \right) \times 70 + 29 = 56.25 + 29 = 85.25 \right)$   
 For chemistry, it is  $60 + 30 = 90 \left( \left( \frac{48}{56} \right) \times 70 + 30 = 60 + 30 = 90 \right)$   
 For biology, it is  $63.75 + 30 = 93.75 \left( \left( \frac{51}{56} \right) \times 70 + 30 = 63.75 + 30 = 93.75 \right)$

### Admission to Science Courses

The Basis of Selection for Mathematical Sciences/Science/Home Science courses remains unchanged. All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30% , respectively on pro rata basis. These new marks will then be considered for calculation of PCM/PCB etc.

<p><b>Example 11:</b> If a candidate has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), Chemistry 91(theory 52, practical 39; max. marks theory 60, practical 40), English (90) and Mathematics (95), Physical Education (92). Physics and Chemistry have 60% theory component and 40% practical marks. Pro rata marks in physics = 88.3% Pro rata marks in chemistry = 89.92% Therefore, Total marks in PCM are: <math>88.33+89.92+95=273.25=91.08\%</math> and PCME are: <math>88.3+89.92+95+90 = 363.25 = 90.81\%</math>.</p>	<p><b>Example 12:</b> If a candidate has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. Physics, Chemistry and Biology have less than 70% theory component and must be converted to 70:30. For Physics, it is <math>56.25+29 = 85.25</math>; For chemistry, it is <math>60+30= 90</math>; For biology, it is <math>63.75+30= 93.75</math>. The PCB is 89.77% ; PCM is 89.19%</p>

## Annexure II Procedure for Calculating ‘Best Four’

### I. Procedure for calculation of ‘Best Four’ subjects percentage for Honours Programmes (For admission to Arts/ Humanities Programmes):

- a. The merit shall be determined on the basis of one language and three best academic/elective subjects from LIST A.
- b. Out of three, academic/elective subject chosen above, one must be the concerned subject in which the admission is sought, failing which a deduction of 2.5% will be imposed on the calculated ‘Best Four’ percentage.

For honours in languages refer to **point 6 of Basis of calculation of Best Four** given below.

#### Note:

- i. If an applicant doesn't include the subjects given in LIST A in ‘Best Four’, then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating ‘Best Four’.
- ii. All subjects to be included in the calculation of ‘Best Four’ must have at least 70% theory component of exam. *In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of ‘Best Four’.*

#### Examples

- (1) If an applicant has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), and Chemistry 91 (theory 52, practical 39; max. marks theory 60, practical 40) which is not in ratio of 70:30, then the marks can be converted on *pro rata* basis

$$\text{Pro rata marks in physics} = 88.33; ((50/60) \times 70 + (40/40) \times 30) = 58.33 + 30 = 88.33$$

$$\text{Pro rata marks in chemistry} = 89.92; ((52/60) \times 70 + (39/40) \times 30) = 60.66 + 29.25 = 89.91$$

- (2) If an applicant has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. The marks in Physics, Chemistry and Biology have less than 70% theory component and therefore have to be converted to 70:30 ratio on *pro rata* basis.

$$\text{For Physics, it is } 56.25 + 29 = 85.25; ((45/56) \times 70 + (43/44) \times 30) = 56.25 + 29.3 = 85.55$$

$$\text{For Chemistry, it is } 60 + 30 = 90; ((48/56) \times 70 + (44/44) \times 30) = 60 + 30 = 90$$

$$\text{For Biology, it is } 63.75 + 30 = 93.75; ((51/56) \times 70 + (44/44) \times 30) = 63.75 + 30 = 93.75$$

The following discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective.

**LIST A****(Academic/Elective Subjects)**

Arabic	English	Italian	Psychology
Bengali	French	Legal Studies	Sanskrit
Botany	Geography	Mathematics	Sociology
Biology/ Biotechnology	Geology	Persian	Spanish
Chemistry	German	Philosophy	Statistics
Commerce/Business Studies	Hindi	Physics	Urdu
Computer Science/ Informatics Practices	History	Political Science	Zoology
Economics	Home Science	Punjabi	Accountancy

**Basis of calculation of Best Four**

1. Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (Hons.) Journalism (Hindi/ English).
2. In case an applicant has studied elective and core languages, the core/ elective language subject will be treated as language, while elective language can be considered as academic/ music elective subject.
3. Admission to B.A. (Hons.) Applied Psychology will be based on Best Four percentage as in B.A. (Hons.) Psychology.
4. Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on Best Four percentage including one language and three academic/elective subjects as per the above procedure.
5. The applicants must have studied and passed Mathematics at the qualifying exam for admission to B.A. (Honours) in Economics.
6. (a) For admission to Honours in any language programme, advantage of 2% in the Best Four percentage will be given to those applicants who have studied that particular elective language.  
(c) In case, an applicant has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer (c)), deduction of 5% will be imposed on Best Four percentage.  
(d) For admission to Honours in English and Hindi, the applicant must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of Best Four percentage.
7. University may define any other relevant subjects as an academic/ elective for a particular Honours programme.

**Example 1:**

If an applicant has scored: Accountancy (90), Business Studies (92), English Core (88) and Economics (94). Total marks in four subjects are  $90+92+88+94=364$ , Percentage is 91%.

The effective percentage for:  
B.A. (Hons.) English is 91%,  
Not eligible for B.A. (Hons.) Economics, (Maths not studied passed)  
B.A. (Hons.) Political Science is  $91\% - 2.5\% = 88.5\%$ . (Political Science not studied & passed)

**Example 2:**

**II. Procedure for calculation of ‘Best Four’ subjects percentage for B. Com. (Honours)/B.Com.:**

One Language from Part 1 of List C1 + three best subjects out of Part 2 of List C1.

**OR**

One Language from Part 1 of List C1 + any combination of subjects out of Part 2 of List C1, List C2 or any other subject (not listed either in List C1 or List C2). In such a case, the deduction of marks from aggregate percentage of ‘Best Four’ shall be as follows:

- iii. For every subject included from List C2, a deduction of one percent in aggregate percentage of ‘Best Four’;
- iv. For every other subject (not listed either in List C1 or List C2), a deduction of 2.5% per subject in aggregate percentage of ‘Best Four’.

**Note:**

1. The applicant must have studied and passed Mathematics/Business Mathematics at the qualifying examination for admission to B. Com. (Hons.).
2. The computation of ‘best four’ subjects in the above framework should lead to an effective and unique ‘best four’ which would be higher than any other combination of ‘best four’ subjects.

## II. Procedure for calculation of Best Four subjects percentage for B.A. programme:

- One Language (Core/Elective/Functional)
- Any three elective subjects can be chosen. A deduction of upto 5% on Best Four percentage may be imposed if there is a change of stream for admission to B.A. programme, which means either from Commerce stream to or Science stream to Arts/Humanities/Social Sciences.
- One non-listed (LIST A of Annexure II) subject can be included in calculation of Best Four without any deduction.
- For admission to B.A. (Vocational) only, related vocational subjects may be treated at par with academic/elective subjects and upto two vocational subjects, which are in relationship with the programme of study may be included for the calculation of Best Four.
- If an applicant opts for Modern Indian Language (MIL) (Except Hindi) as a subject, an advantage of up to 10% may be given in Best Four in those colleges where MIL is offered as a subject.

### Note:

- The college will have to notify the actual deduction upto 5% for change of stream before hand by uploading on their website and intimating the same to the University.
- If more than one non-listed subject is included for calculation of Best Four, a deduction of 2.5% each in Best Four may be levied in addition to deduction due to change of stream, if any.

### Examples for calculation of Best Four Percentage are given below.

<p><b>Example 13:</b> If an applicant has scored in Accountancy (90), Business Studies (92), English Core (88) and Economics (94). Total marks are <math>90+92+88+94=364</math>. The Percentage is 91%. Total marks are <math>96+92+90+94=372</math> and Percentage is 93%. The effective percentage for B.A. programme is <math>93\% - 5\% = 88\%</math></p>
<p><b>Example 15:</b> If an applicant scored: History (88), English Core (92), Political Science (90) and Web Designing (96)* Total marks are <math>88+92+90+96=366</math>, Percentage is 91.5%. The effective Percentage for B.A. programme is 91.5%</p>	<p><b>Example 16:</b> If an applicant has scored in Accountancy (90), Business Studies (62), English Core (88), Web designing (94)* and Painting (95)*. Total marks are <math>90+95+88+94=367</math>. The Percentage is 91.75%. The effective percentage for B.A. programme is <math>91.75\% - 5\% - 2.5\% = 84.25\%</math></p>

\*\* is deduction due to change of stream.

# is for second vocational subject.

## Admission to Science Programmes

The Basis of Selection for Mathematical Sciences/Science/Interdisciplinary & Applied Sciences programmes is listed in Section 5.1.4 and Section 5.1.5. All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of examination. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30% , respectively on pro rata basis. These new marks will then be considered for calculation of PCM/PCB etc.

### Example 17:

If an applicant has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), Chemistry 91(theory 52, practical 39; max. marks theory 60, practical 40), English (90) and Mathematics (95), Physical Education (92). Physics and Chemistry have 60% theory component and 40% practical marks.

Pro rata marks in physics = 88.33%

Pro rata marks in chemistry = 89.92%

Therefore, Total marks in PCM are:  $88.33+89.92+95=273.25=91.08\%$  and PCME are:  $88.3+89.92+95+90 = 363.25 = 90.81\%$ .

### Example 18:

If an applicant has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. Physics, Chemistry and Biology have less than 70% theory component and must be converted to 70:30.

For Physics, it is  $56.25+29 = 85.25$ ; For chemistry, it is  $60+30= 90$ ; For biology, it is  $63.75+30= 93.75$ . The PCB is 89.77% ; PCM is 89.19%

## From The Desk of Principal

### Dear Students

Greeting and very warm welcome to new journey of University education!

We are a constituent college of the University of Delhi since 1964. We have been imparting quality education to our students at lowest charges among Delhi University colleges. Beginning with a total of 300 the College has been catering more than 3600 students from all parts of India and abroad every year. We offer concession to girl's students in most of the courses to promote women education to build equal and just society.

We believe in education, which can enable our students to lead the society. The College is fortunate to have talented and highly committed faculty who follow the motto "Learn, Explore and Excel". We have well equipped science laboratories and computer lab for all students. We offer a conducive and safe environment of learning in campus and ensure all round learning opportunity. Air-conditioned study room in our rich library makes it more impactful for lengthy study hours. In college, we uphold conventional methods and blend with latest teaching-learning pedagogies in the best interest of students. Our non-academic staff is always cooperative for students. I assure all the students that we will not let any corner untouched to fulfill their academic aspirations.

I again welcome and wish you good luck for your stay at Motilal Nehru College for shaping up your collective dreams.

With Best Wishes.

**Dr. Suraj Bhan Bhardwaj**

Students are expected to attend classes regularly as the minimum 66.67% attendance has been made mandatory to appear in the University Examinations. The Board provides library facility to all under graduate students in the respective Teaching Centres and a Post-Graduate Library is located in the Arts Faculty Building, North Campus. The Board gives financial aid and book loan facility for the academic year to the needy and deserving students.

There are 50 teaching days in an academic session year, held either on Saturdays or Sundays and during the academic breaks of the University of Delhi. At the Under-graduate centres, classes are held from 9.00 a.m. to 2.00 p.m, as a set of 5 periods of 60 minutes each.

A major advantage of the Non-Collegiate course of teaching is its low cost and utilisation of the existing infrastructure of educational institutions. The students are also encouraged to take part in skill development courses organized in collaboration with NSDC, which are placement linked. Various cultural and extracurricular activities impart an opportunity to students to showcase their talents. In the direction to achieve a new horizon for the women's education, NCWEB is taking small, but confident steps to reach its goal of empowering women. ## Annexure VIII: How to Deal with Payment Failures

A payment may fail due to two reasons:

1. **The payment amount is not debited from your account:** You might receive a message from your bank that the payment could not be processed. You will also see the payment failure screen.
2. **The payment amount is debited from your account:** In this case, you will be left wondering why you did not see any kind of notification. You can send an email to the ICICI payments platform and check the status of that payment.

### Reasons for Payment Failure:

**1. Bad internet connection –** A stable internet connection is crucial for a successful transaction. A fluctuating connection can affect the transaction. Also, closing the tab or window will result in failed payment or incomplete payment.

**2. Authorization failure –** If the payment gateway cannot connect with the bank and/or the bank does not authorise the payment, there can be a transaction failure. This goes beyond the control of payments platform. If your money is deducted then you can check with the bank and the platform.

**3. Authentication failure – Wrong details entered –** If the details entered (Name, Card No, CVV, OTP/password etc) are incorrectly entered, the bank will reject the payment and it will not be processed. Usually, money is not debited and you can try another transaction after few minutes.

**4. Delayed notification –** After a successful transaction, you should usually receive a notification about the success of the payment. But sometimes, this does not happen immediately due to poor network issues. You can wait for few hours and if you do not receive any acknowledgment then contact the seller or the payment platform.

In case you face any of the above difficulties, please feel free to contact the ICICI Eazypay Payment Gateway helpline (9:30 a.m. to 6:15/9.00 p.m., Monday to Saturday during Registration /Admissions)

See Annexure I for detailed guidelines on how to register using the portal). **Exercise extreme care in filling up your form.**

In the case of courses being run at multiple colleges, or entrance tests covering more than one course, the applicants are required to state their order of preference of course and/or college. The portal will be open for the alteration of the course-college preferences for one day after the declaration of entrance test results. Applicants are advised to examine the location of the college and college fee for the course before finalizing their order of preference.

Applicants to BMS/BA(H)BE/BBA(FIA) must fill all the college-course choices. There are 21 choices for female applicants and 17 for male applicants. The applicant should mark “1” for their most preferred college-course, “2” for the next most preferred and so on. The college-course to which an applicant does not want admission should be marked “No Preference”. Where “No Preference” is selected, that college-course shall not be offered to the applicant. If a college-course is marked with a preference number, the same may be allotted to the applicant and the applicant would be required to take admission in that college-course in order to be eligible for any future changes in college and course.

Applicants to B.El.Ed must fill all the eight college choices. The course is available only to women. The applicant should mark “1” for their most preferred college, “2” for the next most preferred college and so on. The college to which an applicant does not want admission should be marked “No Preference”. Where “No Preference” is selected, that college shall not be offered to the applicant. Applicants are advised to **examine the choice of liberal options** (visit the Department website <http://doe.du.ac.in>.) offered by each college before finalizing their preference order.

Admission will not be granted to any applicant whose name has appeared in the allotment list but who fails to meet the minimum eligibility criteria for the course. Entrance test fee will not be refunded in any circumstances.

### **Step 2: Written and Practical tests and Trials:**

Applicants to BA(H)BE/BMS/BBA(FIA), BTech(IT&MI), BA(HSS), B.El.Ed., BSc(PE,HE&S), BA(H)MMC and FYIPJ are required to appear for a written entrance test as applicable to each course in order to be considered for admission to the course. The test shall be of multiple-choice type. Four marks shall be awarded for each correct answer and 1 mark shall be deducted for each wrong answer.

Applicants to BA(Hons.) Music are required to appear for a practical entrance test in order to be considered for admission to the courses.

### **Step 3: Ranking for Admissions:**

A ranking of applicants will be prepared for each course that shall guide the admission process and shall be displayed on the Admission Portal. This ranking shall be based on:

The marks scored in the entrance test for the BTech(IT&MI), BA(H&SS), B.El.Ed. , BA(H)MMC and FYIPJ courses.

The weighted mean of the marks scored in the entrance test and in Class XII (as per eligibility) giving each the weights of 65% and 35% respectively for the BA(H)BE, BMS, BBA(FIA), courses.

The mean of the marks scored in the written test and the trials for the BSc(PE,HE&S) course.

The marks scored in the practical test for the B.A.(Hons.) Music courses.

The final ranking shall not have any repeated ranks. In the case of a tie for rank, **the following tie-breaking rule shall be applied in the order provided below:**

1. The applicant with higher percentage of marks (aggregate of best four subjects including one language) in the qualifying examination will be considered first for allotment/admission.
2. The applicant with the higher entrance test score will be considered first for allotment/admission.
3. The applicant with higher percentage of marks (aggregate of best five subjects including one language) in the qualifying examination will be considered first for allotment/admission.
4. The applicant with the earlier date of birth (as mentioned in class X certificate) will be considered for allotment/admission.

#### **Step 4: Allotment of Courses and Colleges**

For all the entrance based courses the allotment of seats shall be done centrally and shall be displayed on the Admission Portal. Only the applicants who satisfy the minimum eligibility criteria for the course will be considered for admission.

In the case of BA(H)BE/BMS/BBA(FIA) and the B.El.Ed. courses, the seats available in each college (and course) in each admission category shall be allotted to the applicants in order of their ranks and as per their preferences subject to availability, till all seats in the particular college (andcourse) are exhausted. An applicant allotted a seat **higher** in their preference order will not be allowed a change to any seat lower in their preference order within the same admission category.

#### **Step 5: Admission Stage 1 - Admission Form**

Applicants allotted a course and a college/institution shall be required to confirm their interest in the admission by selecting and confirming the college (and course) from their Dashboard on the Admission Portal. An admission form for the college (and course) will be generated. Applicants are required to print out this form.

#### **Step 7: Admission Stage 3 - Payment of Fees**

The college/institution upon verification of documents shall approve the admission of the applicant

online. A link for payment of fee will be activated in the applicant's portal. The applicant must pay the fee online within the stipulated time. Once the fee is received by the University of Delhi, the applicant shall be declared as successfully admitted.

Failure to pay the fee shall lead to cancellation of the allotted seat.

Any applicant who fails to obtain admission after allotment of seat shall not be eligible for that seat at any future date and shall not receive any future allotment of seat in the particular course and category.

#### **Step 8: Choice for Reallotment.**

Upon payment of fee, the applicant will be required to choose one of the two options:

- Option 1: I wish to be reallotted a seat higher in my preference order if the same is available; or
- Option 2: I am satisfied with the currently allotted seat and do not want another allotment of seat.

#### **Step 9: Subsequent Rounds of Allotment**

During every subsequent Allotment Round, seats available after the previous round shall be allotted to admitted applicants who choose option 1 in Step 8 and to applicants ranked above the last admitted rank and who have not yet been allotted a seat, subject to their preferences.

In case a seat higher in the applicant's preference is available, the same shall be allotted to the applicant and the existing admission shall stand cancelled.

All applicants allotted seats in an allotment round shall be required to repeat Steps 5 to 8 to obtain admission. The fee to be paid in a subsequent round shall be the difference (if any) of the new institution fee less the fee already paid.

Upon confirmation of fee with the University, the admission in the college (and course) shall be confirmed. If the applicant fails to pay the fee to confirm the admission, the applicant shall not be allotted the seat and shall not be considered for any future allotment.

As a global leader in knowledge creation and dissemination, the University of Delhi has envisioned a unique trajectory for the 21st century by tapping the transformative power of liberal arts, social sciences and state-of-the-art science and technology education and research. As the University starts broadening its research horizons under the Institution of Eminence scheme by establishing a number of research-based institutions having interdisciplinary/multi-disciplinary approach, we are confident it will give an opportunity to our students to be proactive and to face the challenges of this century with much maturity and inventiveness.

In this journey of institutional excellence, we remain firmly devoted to educating the leaders of the future by building and sustaining an academic ambience that enables students from all corners of the country and the world to realize their potential without any barriers. Our robust admissions system is committed to full transparency and remains insulated from any malpractices and biases ensuring the selection of the candidates having the strongest potential, meeting all selection criteria.

While the University has in place a range of regulatory policies and practices, we go beyond the call of these obligations to meet societal aspirations. We are fully sensitized towards the constitutional provisions and values and are committed to meet them in letter and spirit.

**Computing Merit Score: General Guidelines** Course specific eligibility criteria determine the merit score on which admission to each course is based. Applicants must study these criteria carefully to understand if they qualify. The detailed course specific criteria are in sections 2.2 – 2.9 below.

1. All academic subjects may be treated as “elective.” The subjects eligible for computation (subject to course-specific criteria) are listed above in List A and List B.
2. The University may define any other relevant subjects as academic/elective for a particular course.
3. Merit is calculated through course-specific combinations of marks obtained in the qualifying examination in the “**Best Four**” subjects for admission to courses through the faculties of Arts, Commerce, Mathematical Sciences, Music, Social Sciences, Applied Social Sciences & Humanities, and course-specific combinations of “**Three Subjects**” for admission to courses under the faculties of Sciences and Applied Sciences.

If a paper’s title does not match with what is specified in List A and List B above, it is mandatory for the applicant to provide a content equivalence certificate from the Principal/Head of the Institution last attended, certifying that the paper’s content is equivalent to NCERT Class XII syllabus for that paper. This equivalence certificate must be accompanied by a copy of the syllabus of the paper attested by the Principal/Head of the Institution. However, the University of Delhi’s decision on the matter will be final and binding.
2. If the applicant has studied “Botany” and “Zoology” separately, the total of marks in both these papers must be entered in the respective fields for theory and practicals under the heading “Biology” in the field provided in your admission form.

3. If the applicant's marksheet contains both Class XI and XII marks, the applicant must enter **only the Class XII marks** in the respective fields provided in the admission forms.
4. Applicants should have passed theory and practical separately. Any paper with both theory and practical component will be considered only in the ratio **70 (theory) : 30 (practical)** if the theory component of the paper is less than 70%. The applicant should separately fill into the online Admission Form the marks obtained and maximum marks for theory and practical each, and the totals, as per their marksheet. In case the **theory/practical breakup is not specified**, the applicant will be required to enter only their total marks in the first field ("Theory") for that paper in the online Registration Form. (See Appendix IX, Example 1 for sample calculations.)
5. "*Internal Assessment*" marks, if any, mentioned in the marksheet will not be used for any calculations. (See Appendix IX, Example 2 for sample calculations.)
6. Any discrepancy in the entry of marks pertaining to theory, practicals or totals will be the sole responsibility of the applicant. Applicants are advised to exercise utmost care in filling up the registration form as errors in entry may lead to summary rejection of the form.

## 2.10 Undergraduate Merit-based Admission Process

### Step I: Registration on the UG portal

The applicant uses the university UG Admissions portal to create their personal username and password, fills in their registration form, chooses their courses of interest, and uploads the required documents. *(Detailed guidelines on how to register will be uploaded on the University website in due course)*. **The applicants must exercise extreme care in filling up their form.** Much of the information entered by the applicants into the form will not be possible to edit and correct after submission of the form.

1. All the candidates seeking admission to the Undergraduate (UG) courses are required to register online.
2. Any first time user, in order to access UG Admission Portal, need to register on the

portal with a valid e-mail ID.

3. Applicants who do not have a valid e-mail ID must create an e-mail ID before proceeding.
4. The applicant needs to keep this e-mail ID handy because it will be required to access his / her account on the portal as well as for all the future correspondence throughout the admission process
5. The default settings allow all applicants to register for all courses (without any penalties).
6. The applicants will be eligible to take admission in all the colleges and courses **provided they satisfy the cut-off of the colleges and the eligibility for the selected courses.**
7. If applicants have examination results pending or have reappeared in papers, they will be able to update these marks by logging into their Dashboards till the last date of admissions in the University.
8. Utmost care must be exercised in uploading the documents. Applicants will need scanned copies of the certificates on the basis of which they wish to claim admission
  - (a) Class X certificate
  - (b) Class XII certificate
  - (c) Relevant reservation certificate issued by competent authority
  - (d) Self attested copies of requisite certificates for admission under sports/ ECA category
  - (e) Link of the uploaded clip for admission against music
  - (f) Photo identity card (Aadhar Card, Driving License, PAN Card, Voter Identity Card, Passport or School Identity Card)
9. Applicants will be responsible for all information they upload, including copies of certificates. They will also be responsible for the quality and authenticity of the files they upload. The applicants will be able to see the preview of their form and the uploaded documents. The applicants are advised to take all care to avoid rejection on this basis during the admission process.

## **Step II: Payment of the registration fees**

The application form will be deemed submitted only when the applicant has paid the relevant registration fee. This fee must be paid only through the link provided through the applicant's Dashboard. There is no method available to applicants other than this online link generated for payment of the registration fee. When the applicant has successfully submitted the registration fee online, they are advised to keep records of the payment's transaction ID, Credit Card/ Debit card/ Netbanking details and date of transaction as proof for future reference. Further, the applicants are advised to complete the process well before the deadline in order to avoid any last minute glitches.

### **Step III: Reopening of the portal**

The application will be allowed to update the marks and make minor corrections in the form during this window provided to them. **This will only be a one time process.**

### **Step IV: Declaration of Cut-off**

The University shall declare a minimum of five Cut-Offs. In case, there are still some vacant seats left, further Cut-Offs may be announced by the University. If needed, the University may also conduct special drive in order to fill vacant seats against reserved category. In case of vacant seats left after the first five Cut-Offs, there will be a special Cut-Off only for those candidates who could not/ did not take admission in the initial five Cut-Offs for whatsoever reasons.

#### **Special Cut-Off**

- i. The cut-off for the Special Cut-Off admissions will be the last cut-off declared by the college for a particular course. That is, if a college had declared 3rd cut-off for a particular course and no further cut-off was declared thereafter, and there are vacant seats after the University has completed the 5th round of cut-off, the Special Cut-Off for this particular course of the College will be that as declared in the 3rd cut-off.
- ii. The colleges will declare the number of seats left vacant in each course after the 5th Cut-Off.
- iii. **There will be no movement allowed during this Special Cut-Off.**
- iv. The applicant gives his/ her preferences of the available course (A) and available colleges (B)
- v. The allotments to the course and the colleges, **only for the Special Cut-Off**, will be made centrally using the formula ( $\min A + \min B$ ) where A is the preference to a course and B the preference to a college, B will be dependent on A.

### **Step V: Selection of Course and College**

Upon declaration of the the *n*th Cut-Off list, applicants must log in to their Dashboards on the UG admission portal to **choose the course and college they wish to claim admission** in from the list of colleges and courses they are eligible for. At a time, during a cut-off list, the **applicant is allowed to choose only one course and one college. Multiple simultaneous admissions are not permitted.**

- i. Please note selection of applicant's college and course can be made only online through their own Dashboard on the UG admissions portal. There will be no physical visit to the colleges at this point in the process.
- ii. The procedure for choosing the course and the college by the applicant must be completed within the stipulated time interval.
- iii. **Within a cut-off the applicant will not be allowed to change his/ her choice of course and college.**

### **Step VI: Online verification of documents by respective colleges**

The College shall verify the documents uploaded by the applicant for eligibility and meeting the required Cut -Off.

- i. Course in-charge to verify the minimum qualifications and cut-off requirement, else to decline.
- ii. Convenor admission to recheck and approve the admission or decline.
- iii. Principal to approve admission for cases approved in (ii) and to confirm declining admission for those declined by the Convenor.
- iv. In case of lack of necessary documents, candidate to be contacted on email/phone so that the same may be provided. In case the candidate does not respond, or where documents remain insufficient, the admission to be declined citing reason. **No application will be left undecided. It will either be approved or declined.**
- v. The applicant to be communicated the status of the application on their dashboard.
- vi. Those approved are required to pay the fee and receive a confirmation of their admission. Those declined admission are provided a link to raise any objection with the Grievance Committee.

#### **Step VII: Payment of fees to confirm admission**

Once the Principal of the College has approved their admission, the applicant will receive a link on their Dashboard on the UG Admissions portal through which they must submit the college/course fees due. **This fee can only be paid online through the portal.**

- i. The applicant is advised to **pay the fee without delay within 24 hours** of the approval of admission by the Principal of the College, and **save the acknowledgement slip** bearing transaction ID, Credit Card/ Debit card/ Netbanking details and date of transaction as a proof for future reference. On successful payment of fees, the applicant is granted provisional admission to the said college.
- ii. It is extremely important that applicants pay the fee within the timeframe allocated, failing which it will be concluded that the applicant is not interested in the course of study at that college, and the admission will be automatically cancelled.
- iii. Once the applicant has gained admission, they will have to sign an online declaration stating, *"All the information provided by me are correct. In case any information provided by me is found to be false and/ or is not supported by the documents presented by me, I understand that the admission will be immediately cancelled and no fees will be refunded. I shall abide by all the rules and regulations laid down by the University and the College."*

#### **Step VIII: Physical verification of the original documents**

The uploaded documents will be verified by the respective colleges within the stipulated time period. **If at this stage it is found that the information given by the applicant is false and/ or is not supported by the documents presented, the admission will be immediately cancelled. No fees will be refunded in such cases.**

#### **Process for change of Course/College in subsequent Cut-Offs**

If, in subsequent lists, the applicant finds themselves eligible for admission to any other colleges/courses, they should ensure their eligibility by carefully examining the eligibility requirements of the Course/College/ Department.

- i. **Applicants are advised to exercise extreme care to ensure that they meet the requirements for the Course/College.** Once they are certain they wish to cancel admission in the course/college they initially had gained admission to in the previous list, the applicant must log in to the UG Admissions portal to cancel their admission through their Dashboard.
- ii. A cancellation fee will be levied, and they may now choose a new combination of course and college, subject to eligibility and meeting course-specific requirements. Once again, the applicant must complete steps V-VIII.
- iii. Only one cancellation is allowed per Cut-off list. Cancellation for readmission in another merit-based college/course will not be possible in the first Cut-off list. Such cancellations wherein the applicant seeks readmission in another merit-based college/course option may be attempted only in subsequent list onwards. Within a cut-off the applicant will not be allowed to change his/ her choice of course and college. The total number of cancellations will be restricted to (n-1) where "n" is the total number of Cut-off Lists.
- iv. Once an applicant has cancelled his/ her admission, he/ she cannot be re-admitted to that course/college automatically, and must undergo the admission process anew, subject to availability of seats and the applicant meeting course-specific eligibility requirements.
- v. When the applicant cancels their previous admission in the subsequent Cut-Off List, the refunded fee amount will be visible in the "Wallet" section of the Dashboard. A cancellation fee of Rs. 1,000 (Rupees One thousand only) will be deducted and this will be reflected in the refunded amount visible in the "Wallet".
- vi. Through the Dashboard after the subsequent admission is approved, the admission fee will be adjusted automatically and the applicant will have to pay only the balance fee if it is more than the fees already paid at the previous college. If the fee in the latter college is less, the balance will be refunded to the applicant's account or to an account declared by the applicant as per the College/University rules after the admissions are closed.

In case of any change in the admission process for Merit based UG admission, it will be notified on the website of the University of Delhi. All aspirants must register online as per the procedure and schedule that will be notified on the University of Delhi website ([www.du.ac.in](http://www.du.ac.in)).

The Board provides library facility to all undergraduate students in the respective Teaching Centres. The Board gives financial aid and book loan facility for the academic year to the needy and deserving students.

There are 50 teaching days in an academic session year, held either on Saturdays or Sundays and during the academic breaks of the University of Delhi. At the Under-graduate centres, classes are held between 9:00 am to 4:00 pm.

The students are encouraged to take part in various activities like skill development workshops, placement drive for employment, health camps, environment awareness. Various cultural and extracurricular activities impart an opportunity to students to showcase their talents. In the direction to achieve a new horizon for women's education, NCWEB is taking small, but confident steps to reach its goal of empowering women. ## Appendix X Structure of CBCS

1. One credit is equivalent to one hour of teaching (Lecture/Tutorial) or two hours of practical work or field work per week. The duration of classes may be decided accordingly by respective Principals of Colleges.
2. The number of papers under Core course, Elective Course and Ability Enhancement Courses and their respective credits for different Under-graduate programmes is as per UGC's guidelines at Annexure (1).
3. The examination scheme as approved by the Academic Council and Executive Council for the Under-graduate Courses under CBCS by amending Ordinance VIII(2) and Ordinance IX will be as per Annexure (2).
4. As per standard, the size of a tutorial is 8 to 10 students. The Principals of the respective Colleges may decide about the class-size and tutorial size as per their requirement according to prescribed standards.
5. The General elective courses offered by the department will be taught by teachers of the same department.
6. The Principal of Colleges may take decision for offering more than one General Elective papers to be opted by the students in each semester.
7. A Student admitted in a particular department can opt for General Elective Courses offered by other department, for example, a student admitted under B.A. (Hons.) History Programme cannot opt for General Elective Course offered by the Department of History.
8. The students admitted under BMS/BFIA Programme can opt for General Elective papers offered by the specialization different from the one in which they are admitted.
9. The General Elective papers offered by different specialization of Home Science Course can be opted by student admitted in Home Science courses, considering the different specialization as different department and in confirmation with point no. 7.
10. The General Elective papers as prepared by departments and approved by the Academic Council & Executive Council of the University of Delhi can be offered in the Academic Year 2015-16.
11. The core papers of English/Hindi/MIL as part of two language required to be studied is different from the courses of English/Hindi/MIL under Ability Enhancement Courses (AEC). In view of the above, a student of B.A. (Programme) can opt for English language as his or her one of the core paper and also opt for English as Ability Enhancement Course under A,B or C Scheme.
12. The syllabi of Courses under which admissions have been taken in the current session which are not prepared by the departments will be prepared and approved by respective Faculties at the earliest and submitted for approval of the Vice-Chancellor.

13. The student of B.Sc. (Hons.) Botany and B.Sc. (Hons.) Zoology must opt one or two General Elective papers offered by Department of Chemistry so that their eligibility for admission in P.G. Courses in various institutions is not hampered.
14. Similarly, students admitted under B.Sc. Programme and willing to pursue Post-graduation in Physics/Chemistry/Electronics must opt a paper of Mathematics as General Elective, if Mathematics is not one of the Core discipline being studied.
15. The students of B.Sc. (Hons.)/B.A.(Hons.)/B.Com (Hons.) in order to be eligible for Post-graduate in another discipline may opt for the General Elective of a particular subject in each semester to earn 24 credits in the concerned discipline.
16. The Universities/Institutes may offer any number of choices of papers from different disciplines under Generic Elective and Discipline Specific Elective as per the availability of the courses/faculty.
17. Universities/Institutes may evolve a system/policy about Extra Curricular Activities/ General Interest and Hobby Courses/Sports/NCC/NSS/Vocational courses/related courses on their own.
18. A student can opt for more number of Elective and AE Elective papers than proposed under the model curriculum of UGC. However the total credit score earned will not exceed 160 credits for UG Honours and 140 credits for UG Program degree.
19. The new scheme of UG courses should be given due consideration while framing the admission eligibility requirement for PG/ Technical courses in Indian Universities/Institutions to ensure that students following inter and multi-disciplinary format under CBCS are not at a disadvantage. It is suggested that wherever required, obtaining 24 credits in particular discipline may be considered as the minimum eligibility, for admission in the concerned discipline, for entry to PG/Technical courses in Indian Universities/Institutions.
