Institutional Distinctiveness

Committed to the spirit of nation building, Motilal Nehru College is guided by the path of social reforms and welfare shown by enlightened people. Their vision regarding empowerment of women, access to education to disadvantaged sections of the society, educationally backward minorities and the disabled provide the guiding principles for numerous initiatives undertaken by the college. These initiatives seek to promote a holistic form of education that, among other things, impart the students' knowledge about a sustainable and inclusive world for all. They foster the culture of inclusiveness that teach the students, the ability to take people from diverse sections together and make them feel that they are also important contributors to the world in which they live. Various gender forums headed by the Women Development cell ensure that our women students see themselves as empowered stakeholders in every aspect of social living and our young men realise the importance of men and women working together. Our notion of gender equality includes a tremendous sensitivity to the LGBTQ communities ensured with repeated workshops with teachers and activists. 'Disability' has always been seen as a special ability in this college and various societies and initiatives work with the blind and the physically challenged. The college also has a North East Cell catering to special needs of the students coming from North-East region. The endeavour is to make our students understand and promote pluralistic, multicultural aspects of their country. The approach is augmented by unparalleled outreach programmes, serving the underprivileged to ensure that they create a better nation than the one they inherited.
