**BENITO JUAREZ MARG : NEW DELHI-110021**

Dated : 01.04.2023

To all Students,

It has been observed that some of the students are not attending their classes regularly. As per the Delhi University rule, it is mandatory for all students to maintain a minimum of 66.67% attendance in order to be eligible for appearing in the final examinations.

Attendance is a critical component of the learning process, and regular attendance ensures that students are able to keep up with the course material and participate in classroom discussions and activities. Therefore, it is imperative that all students attend their classes regularly.

We urge all students to take this matter seriously and ensure that they attend their classes regularly to maintain the required attendance percentage. We would also like to remind students that their attendance is being closely monitored, and those who fail to meet the minimum attendance requirement will not be allowed to appear for their final examinations.

We hope that all students will take this notice seriously and attend their classes regularly.

Best regards,
