

## Date sheet

### Chemistry practical examination

### Semester 1

| Date of the examination | Course                                | Title of the paper                                          | Time of commencement | LAB   |
|-------------------------|---------------------------------------|-------------------------------------------------------------|----------------------|-------|
| 19-12-2024              | B.Sc.(H) Chemistry                    | Atomic Structure and Chemical Bonding<br>2172011101 (DSC)   | 9:30 AM              | 1     |
| 19-12-2024              | B.Sc.(H) Chemistry                    | Basic Concepts & Aliphatic Hydrocarbons<br>2172011102 (DSC) | 1:00 PM              | 1     |
| 20-12-2024              | B.Sc.(H) Chemistry                    | Gaseous & Liquid state<br>2172011103 (DSC)                  | 9:30 AM              | 1     |
| 23-12-2024              | B.Sc. Physical Science with Computers | Basic Concepts of Organic Chemistry<br>2174001002 (GE)      | 9:30 AM              | 1     |
| 23-12-2024              | All (H) courses                       | Atomic Structure and Chemical Bonding<br>2174001001 (GE)    | 9:30 AM              | 4     |
| 24-12-2024              | B.Sc. Physical Science with chemistry | Basic Concepts of Organic Chemistry<br>2172511101 (DSC)     | 9:30 AM              | 1 & 4 |

26-12-2024 All courses Science & Society (VAC) 10:30 AM 1

**Reporting time:-** Half hour before the commencement of examination.

**Superintendent**

**Chemistry Practical Examination**
