

PHYSICS DEPARTMENT

Motilal Nehru College

In collaboration with

IIRS(A unit of ISRO)

Offers

“Distance learning Programs”

in

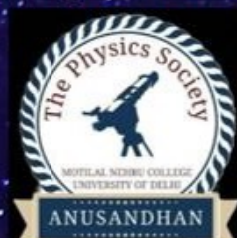

“Remote Sensing & Geoinformation Science”

Highlights:

- ✓ MLNC is now a network institute of IIRS (Indian Institute of Remote Sensing) outreach network.
- ✓ MLNC is a nodal centre where Online Classes and Live Interactive Sessions will be conducted throughout the year by Indian Institute of Remote Sensing .
- ✓ Students and Faculties of MLNC can enroll for any distance learning program offered by IIRS.
- ✓ The Live and Interactive mode of distance learning is through Internet and indigenous developed e-class platform (<https://eclass.iirs.gov.in>)
- ✓ On completion of course certificate will be provided by IIRS.
- ✓ The Logistics of this collaboration will be managed by ANUSANDHAN Physics Society .

Don't miss this stellar opportunity to start your journey into space science!
